For additional information on methods and variable description, refer to “Technical Information,” available at: <https://www.cdc.gov/asthma/brfss/2021/child/brfsschildtechinfo.html>

^aAged 0–17 years

^bCurrent asthma question: Does the child still have asthma?

^cWeighted number of respondents who answered the current asthma question

^dUnweighted number of respondents who answered the current asthma question

^eCI denotes confidence interval

^fTotal includes data from 29 states and DC but excludes Puerto Rico and U.S. Virgin Islands

(–) or empty cell: Suppressed if the normal approximation to the binomial distribution does not apply due to small sample size or relative standard error (RSE) > 30%
