

Title: CDSi Resources Self-Assessment

Clinical Decision Support for Immunization (CDSi) resources provide a single, authoritative, implementation-neutral foundation for development and maintenance of Clinical Decision Support (CDS) engines.

Are you new to CDSi Resources or do you consider yourself an expert? Take this short quiz to check your knowledge about the resources.

Answer the following questions using a 5-point scale, where 1 = strongly disagree, 2 = disagree, 3 = neither agree nor disagree, 4 = agree and 5 = strongly agree.

Question 1 I understand how to use the CDSi resources.

Question 2 I am able to determine if a patient series is considered complete using the CDSi resources.

Question 3 I understand the Test Cases spreadsheet.

Question 4 I can execute test cases to ensure my CDS engine is properly updated.

Question 5 I am familiar with the organization of the Supporting Data spreadsheets.

Question 6 I know how to read Supporting Data to determine valid age requirements.

Question 7 I am able to determine when the next target dose should be administered using the CDSi resources.

Question 8 I can use a patient's medical and immunization history along with the Supporting Data and business rules to determine immunization due dates.

Question 9 I understand how dates are calculated in the CDSi Resources.

Question 10 I understand how to use the resources for evaluation and forecasting purposes.
