[LeadInfo@cdc.gov](mailto:LeadInfo@cdc.gov)

**ACCREDITATION STATEMENTS:**

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**CME:** The Centers for Disease Control and Prevention designates this **enduring** activity for a maximum of 5.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**CNE:** The Centers for Disease Control and Prevention designates this activity for **5.0** nursing contact hours.

**CEU:** The Centers for Disease Control and Prevention is authorized by IACET to offer **0.5** CEU's for this program.

**CECH:** Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to **5.0** total Category I continuing

education contact hours. Maximum advanced level continuing education contact hours available are **5.0**. Continuing Competency credits available are **5.0**. CDC provider number **98614**.

### **For Certified Public Health Professionals (CPH)**

The Centers for Disease Control and Prevention is a preapproved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer **5.0** CPH recertification credits for this program.

**DISCLOSURE:** In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies during the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and content experts wish to disclose they have no financial relationship(s) with ineligible companies with the exception of Dr. Mary Jean Brown. She wishes to disclose she is a consultant with Meridien Biosciences which makes the lead care suite of point of care blood lead testing instruments.

All relevant financial relationships listed for these individuals have been mitigated.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use with the exception of Dr. Alan Woolf's discussion of chelation. He will be discussing the use of chelating agents for childhood lead poisoning are often "off-label" from the pharmaceutical manufacturers' drug information since there is not submitted data necessary for FDA approval for the age range of children.

CDC did not accept financial or in-kind support from any ineligible company for this continuing education activity.
