Change in Continuing Education Activities for the *MMWR* Series

Effective January 11, 2019, the *MMWR* Series will no longer offer new continuing education (CE) activities through CDC's Training and Continuing Education Online (TCEO) system. TCEO CE activities posted before January 11, 2019, will remain available until their expiration date (https://www.cdc.gov/mmwr/cme/weekly_conted.html).

The *MMWR* Series will continue to partner with Medscape to provide free CE activities (https://www.cdc.gov/mmwr/cme/medscape_cme.html). Medscape is jointly accredited by the Accreditation Council for Continuing Medical Education, the Accreditation Council for Pharmacy Education, and the American Nurses Credentialing Center to provide continuing education. Questions and comments about *MMWR* CE activities can be submitted to mmwrq@cdc.gov.
