

APPENDIX B

Midcourse Review Topic Area Chapter Contributors

The following programmers generated much of the tracking data for Healthy People 2020 objectives across many topic areas.

- Deepthi Kandi (NOVA Research): American Housing Survey, Behavioral Risk Factor Surveillance System, National Ambulatory Medical Care Survey and National Hospital Ambulatory Medical Care Survey, National Health Interview Survey, and National Vital Statistics System
- Rashmi Tandon (National Center for Health Statistics): Current Population Survey, Behavioral Risk Factor Surveillance System, and National Health and Nutrition Examination Survey
- Jean Williams (National Center for Health Statistics): National Health and Nutrition Examination Survey and National Hospital Discharge Survey

Access to Health Services (AHS)

Workgroup Coordinators: Robert McNellis (Agency for Healthcare Research and Quality) and Anne Dievler (Health Resources and Services Administration)

Office of Disease Prevention and Health Promotion

Liaison: Angela McGowan

National Center for Health Statistics Analyst: Jeffrey Percy

Adolescent Health (AH)

Workgroup Coordinators: William Potts-Datema (Centers for Disease Control and Prevention); Trina Menden Anglin (Health Resources and Services Administration); Evelyn Kappeler (Office of the Assistant Secretary for Health); and David Dean, Jr. (Substance Abuse and Mental Health Services Administration)

Office of Disease Prevention and Health Promotion

Liaison: Tiffani Kigenyi

National Center for Health Statistics Analyst:

Sibeso Joyner

Contributors: Tammy White (Administration for Children and Families); Nancy Brener, Laura Kann, and Tim McManus (Centers for Disease Control and Prevention); Kathryn A. Chandler, Richelle Davis, Patricia Etienne, David Lee, and Robert Stilwell (Department of Education); Lynn Langton (Department of Justice); Reem Ghandour (Health Resources and Services Administration); Lesley Dobrzynski and Elizabeth Jackson (National Center for Health Statistics); Chaz Puzanchera (National Center for Juvenile Justice); Wilma M. Robinson (Office of the Assistant Secretary for Health); Lisa Trivits (Office of the

Assistant Secretary for Planning and Evaluation); and Carol Bruce (Westat, Inc.)

Arthritis, Osteoporosis and Chronic Back Conditions (AOCBC)

Workgroup Coordinators: Kamil Barbour and Charles Helmick (Centers for Disease Control and Prevention) and Joan McGowan (National Institutes of Health)

Office of Disease Prevention and Health Promotion

Liaison: Yen Lin

National Center for Health Statistics Analyst:

LaJearna Hawkins

Contributor: Kristy Nicks (National Institutes of Health)

Blood Disorders and Blood Safety (BDBS)

Workgroup Coordinators: Kathryn McLaughlin (Health Resources and Services Administration) and Pablo Cure (National Institutes of Health)

Office of Disease Prevention and Health Promotion

Liaison: Emmeline Ochiai

National Center for Health Statistics Analyst:

Sirin Yaemsiri

Contributors: Hani Atrash, Michele Beckman, Vanessa Byams, Brandi Dupervil, Scott Grosse, Meredith Oakley, Azfar-e-Alam Siddiqi, and Mike Soucie (Centers for Disease Control and Prevention); Mark Weinstein (Food and Drug Administration); Emily DeCoster and Christina Turgel (Health Resources and Services Administration); Leda Gurley and Insun Kim (National Center for Health Statistics); Denise Stredrick, Jennifer Villani, and Ellen Werner (National Institutes of Health); Richard Henry (Office of the Assistant Secretary for Health); and Scott Douglas (Office of the Assistant Secretary for Planning and Evaluation)

Cancer (C)

Workgroup Coordinators: Greta Massetti (Centers for Disease Control and Prevention) and Denise Lewis and Martina Taylor (National Institutes of Health)

Office of Disease Prevention and Health Promotion

Liaison: Tiffani Kigenyi

National Center for Health Statistics Analyst:

Sibeso Joyner

Contributors: Robert McNellis (Agency for Healthcare Research and Quality); Jessica King, Lisa Richardson, and Cheryll C. Thomas (Centers for Disease Control and Prevention); David Huang (National Center for Health

Statistics); Christina Dragon (formerly of National Center for Health Statistics); Kathy Cronin, Laurie Cynkin, Janet de Moor, Dale Engels, and Antoinette Percy-Laurry (National Institutes of Health); and Kathleen Pittman (Veterans Affairs)

Chronic Kidney Disease (CKD)

Workgroup Coordinators: Nilka Ríos Burrows (Centers for Disease Control and Prevention) and Kevin Abbott and Lawrence Agodoa (National Institutes of Health)

Office of Disease Prevention and Health Promotion Liaison (Former): Caitlin Blood

National Center for Health Statistics Analyst:
Asel Ryskulova

Contributors: Meda Pavkov, Sharon Saydah, and Desmond Williams (Centers for Disease Control and Prevention); Paul Eggers (National Institutes of Health); and Tanushree Banerjee and Neil Powe (University of California at San Francisco)

Dementias, Including Alzheimer’s Disease (DIA)

Workgroup Coordinators: Jane Tilly (Administration for Community Living); Lisa C. McGuire (Centers for Disease Control and Prevention); and Marie A. Bernard (National Institutes of Health)

Office of Disease Prevention and Health Promotion Liaison: Yen Lin

National Center for Health Statistics Analyst:
Mark Montgomery

Contributors: Margaret Campbell (Administration for Community Living); William Spector (Agency for Healthcare Research and Quality); Christopher Taylor (Centers for Disease Control and Prevention); Shari Ling and Marc Steinberg (Centers for Medicare and Medicaid Services); Thomas Edes and Margaret Kabat (Department of Veterans Affairs); Joan Weiss (Health Resources and Services Administration); Bruce Finke (Indian Health Service); Kimberly Hurvitz (National Center for Health Statistics); Bruce Jonas (formerly of National Center for Health Statistics); Dallas Anderson, Dawn Beraud, Toccara Chamberlain, Jordan Gladman, Sophia Jeon, Melinda Kelley, and Molly Wagster (National Institutes of Health); and Helen Lamont and Mary Worstell (Office of the Assistant Secretary for Health)

Diabetes (D)

Workgroup Coordinators: Henry S. Kahn (Centers for Disease Control and Prevention) and Peter J. Savage (National Institutes of Health)

Office of Disease Prevention and Health Promotion Liaison (Former): Caitlin Blood

National Center for Health Statistics Analyst:
Lesley Dobrzynski

Contributors: Ann Albright, Guuseppina Imperator, Elizabeth Luman, Karen Richard-Lee, and Marcia Taylor (Centers for Disease Control and Prevention)

Disability and Health (DH)

Workgroup Coordinators: Hugh Berry (Administration for Community Living); Michael H. Fox and Lisa B. Sinclair (Centers for Disease Control and Prevention); and Louis Quatrano (National Institutes of Health)

Office of Disease Prevention and Health Promotion Liaison: Angela McGowan

National Center for Health Statistics Analyst:
Robin Pendley

Contributors: Margaret L. Campbell (Administration for Community Living); Fran Chevarley (Agency for Healthcare Research and Quality); Julia Abercrombie, Beth Courtney-Long, Rosemarie Kobau, and Stan Lehman (Centers for Disease Control and Prevention); Tamara Cole (Department of Commerce); Richelle Davis and Christy Kavulic (Department of Education); Reem Gandour (Health Resources and Services Administration); Rachel Tanenhaus (Massachusetts Department of Public Health); Robert Francis and Mitch Loeb (National Center for Health Statistics); Bruce Jonas (formerly of National Center for Health Statistics); Ellis Davis (Office of Disease Prevention and Health Promotion Liaison); Barbara Diskind (Office on Women’s Health); Scott Stumbo (Oregon Health and Science University); Sheryl Larson (University of Minnesota); and Eric Lauer (University of New Hampshire)

Early and Middle Childhood (EMC)

Workgroup Coordinators: Amanda Bryans (Administration for Children and Families); Angelika Claussen and Camille Smith (Centers for Disease Control and Prevention); and Trina Anglin and Kyle Peplinski (Health Resources and Services Administration)

Office of Disease Prevention and Health Promotion Liaison: Theresa Devine

National Center for Health Statistics Analyst:

Lesley Dobrzynski

Contributors: Katherine Beckmann (Administration for Children and Families); Timothy McManus (Centers for Disease Control and Prevention); Beth Stevenson (formerly of Centers for Disease Control and Prevention); Reem Ghandour and Barbara Hamilton (Health Resources and Services Administration); Phyllis Stubbs (formerly of Health Resources and Services Administration); and Susan Lukacs (National Center for Health Statistics)

Education and Community-Based Programs (ECBP)

Workgroup Coordinators: Audrey Williams (Centers for Disease Control and Prevention) and Chandak Ghosh (Health Resources and Services Administration)

Office of Disease Prevention and Health Promotion

Liaison: Therese Devine

National Center for Health Statistics Analyst:

LaJeana Hawkins

Contributors: Mary Hoban (American College Health Association); Rika Maeshiro (Association of American Medical Colleges); and Holly Hunt (Centers for Disease Control and Prevention)

Environmental Health (EH)

Workgroup Coordinators: Chinaro Kennedy (Centers for Disease Control and Prevention) and Bill Jirles (National Institutes of Health)

Office of Disease Prevention and Health Promotion

Liaison: Yen Lin

National Center for Health Statistics Analyst:

Jeffrey Pearcy

Family Planning (FP)

Workgroup Coordinators: Laura Gray and David Johnson (Office of the Assistant Secretary for Health)

Office of Disease Prevention and Health Promotion

Liaison: Tifanni Kgenyi

National Center for Health Statistics Analyst:

Mark Montgomery

Contributors: LaJeana Hawkins (National Center for Health Statistics); Loretta Gavin and Susan Moskosky (Office of the Assistant Secretary for Health); and Tasmeen Weik (formerly of Office of the Assistant Secretary for Health)

Food Safety (FS)

Workgroup Coordinators: Elisa L. Elliot (Food and Drug Administration) and Timothy P. Ihry (U.S. Department of Agriculture)

Office of Disease Prevention and Health Promotion

Liaison: Holly McPeak

National Center for Health Statistics Analyst:

Jeffrey Pearcy

Contributors: Stacy Crim, Olga Henao, Felicita Medalla, and Antonio Vieira (Centers for Disease Control and Prevention); and Marc Boyer, Amy Lando, Linda Verrill, and Laurie Williams (Food and Drug Administration)

Genomics (G)

Workgroup Coordinators: Robert McNellis (Agency for Healthcare Research and Quality) and Katherine Kolor (Centers for Disease Control and Prevention)

Office of Disease Prevention and Health Promotion

Liaison: Tiffani Kigenyi

National Center for Health Statistics Analyst:

Sibeso Joyner

Contributors: Gurvaneet Randhawa (Agency for Healthcare Research and Quality); W. David Dotson and Ridgely Fisk Green (Centers for Disease Control and Prevention); and Christina Dragon (formerly of National Center for Health Statistics)

Global Health (GH)

Workgroup Coordinators: Ramu Kaladi (Centers for Disease Control and Prevention) and José Luis Velasco (Office of Global Affairs)

Office of Disease Prevention and Health Promotion

Liaison: Angela McGowan

National Center for Health Statistics Analyst:

Sirin Yaemsiri

Contributors: Charles (Adam) Brush, Kibra Gebremedhin, Stan Lehman, Melissa Moore, and Nicole Smith (Centers for Disease Control and Prevention); Leda Gurley and David Huang (National Center for Health Statistics); Michelle Loosli (Office of Minority Health); Jessica White (Office of the Assistant Secretary for Planning and Evaluation); and Gustavo Seinos and Ursuline Singleton (Office on Women's Health)

Health Communication and Health Information Technology (HC/HIT)

Workgroup Coordinators: Cynthia Baur (Centers for Disease Control and Prevention); Linda Harris (Office of Disease Prevention and Health Promotion); and Victor Lazzaro (Office of National Coordinator for Health Information Technology)

Office of Disease Prevention and Health Promotion Liaison (Former): Caitlin Blood

National Center for Health Statistics Analyst: Robin Pendley

Contributors: Christina Dragon (formerly of National Center for Health Statistics); Kelley Elliot (Office of Minority Health); Suzie Burke-Bebee (Office of Science and Data Policy); and Valerie Borden and Barbara Disckind (Office of Women's Health)

Health-Related Quality of Life and Well-Being (HR-QOL/WB)

Workgroup Coordinators: Althea Grant (Centers for Disease Control) and Julie Dawson Weeks (National Center for Health Statistics)

Office of Disease Prevention and Health Promotion Liaison: Tiffani Kigenyi

National Center for Health Statistics Analyst: Mark Montgomery

Contributor: Elizabeth Pathak (National Center for Health Statistics)

Healthcare-Associated Infections (HAI)

Workgroup Coordinators: James I. Cleeman (Agency for Healthcare Research and Quality); Arjun Srinivasan (Centers for Disease Control and Prevention); and Daniel Bones Gallardo (Office of Disease Prevention and Health Promotion)

Office of Disease Prevention and Health Promotion Liaison: Daniel Bones Gallardo

National Center for Health Statistics Analyst: Asel Ryskulova

Contributors: Dale Burwen (AHRQ) and Paulette Knight and Lyn Nguyen (Centers for Disease Control and Prevention)

Hearing and Other Sensory or Communication Disorders (ENT-VSL)

Workgroup Coordinators: May S. Chiu, Howard J. Hoffman, Chuan-Ming Li, Lonnie L. Lisle, and Katalin G. Losonczy (National Institutes of Health)

Office of Disease Prevention and Health Promotion Liaison: Emmeline Ochiai

National Center for Health Statistics Analyst: Asel Ryskulova

Heart Disease and Stroke (HDS)

Workgroup Coordinators: Yuling Hong and Fleetwood Loustatlot (Centers for Disease Control and Prevention) and Joylene John-Sowah and Katie Pahigiannis (National Institutes of Health)

Office of Disease Prevention and Health Promotion Liaison: Emmeline Ochiai

National Center for Health Statistics Analyst: Kimberly Hurvitz

Contributors: Angela Thompson-Paul and Zefeng Zheng (Centers for Disease Control and Prevention); Paul A. Scott (National Institutes of Health); and Cheryl Thompson (Office of the Assistant Secretary for Health)

Human Immunodeficiency Virus (HIV)

Workgroup Coordinators: Norma Harris (Centers for Disease Control and Prevention) and Holly Berilla (Health Resources and Services Administration)

Office of Disease Prevention and Health Promotion Liaison: Tiffani Kigenyi

National Center for Health Statistics Analyst: Ritu Tuteja

Contributors: Stephanie Chan (Assistant Secretary for Planning and Evaluation); Patricia Dietz, Irene Hall, Angele Marandet, William Potts-Datema, and Tanja Y. Walker (Centers for Disease Control and Prevention); and Meredith Brantley and Stacy Cohen Gagne (Health Resources and Services Administration)

Immunization and Infectious Diseases (IID)

Workgroup Coordinators: Diana Padron and Edwin Shanley (Centers for Disease Control and Prevention)

Office of Disease Prevention and Health Promotion Liaison: Angela McGowan

National Center for Health Statistics Analyst: Sibeso Joyner

Contributors: Sara Bingham, Laurie Elam-Evans, Rebecca Gold, Nikki Keiser, Stan Lehman, Lee Samuel, James Singleton, Serena Vinter, Erik Williams, David Yankey, and Sara Zeigler (Centers for Disease Control and Prevention); Sirin Yaemsiri (National Center for Health Statistics); and Jessica Tytel (Office of the Assistant Secretary for Health)

Injury and Violence Prevention (IVP)

Workgroup Coordinator: Gwendolyn Haile Cattledge (Centers for Disease Control and Prevention)

Office of Disease Prevention and Health Promotion Liaison (Former): Caitlin Blood

National Center for Health Statistics Analyst: Sibeso Joyner

Contributors: Michael Ballesteros, Mark Faul, Karin Mack, Phyllis Holditch Niolon, Thomas Simon, and David Sleet (Centers for Disease Control and Prevention); Lee Annest and Lynn Jenkins (formerly of Centers for Disease Control and Prevention); Erika Harrell, Kristen Kracke, Rachel Morgan, and Jennifer Truman (Department of Justice); Tonja Lindsey and Umesh Shankar (Department of Transportation); Kimberly Hurvitz (National Center for Health Statistics); Lorenzo Daniels, Patricia Ellison-Potter, and Timothy Pickrell (National Highway Traffic Safety Administration); David Finkelhor, Anne Shuttuck, and Heather Turner (University of New Hampshire); and Madonna Aveni, Mary Jo Ortiz, and Lana Zikratova (WRMA, Inc.)

Lesbian, Gay, Bisexual and Transgender Health (LGBT)

Workgroup Coordinators: Gemerald P. Daus (Health Resources and Services Administration) and Chipper Dean (Substance Abuse and Mental Health Services Administration)

Office of Disease Prevention and Health Promotion Liaison: Theresa Devine

National Center for Health Statistics Analyst: Mark Montgomery

Contributors: Christina Dragon and Anthony Rizkalla (formerly of National Center for Health Statistics)

Maternal, Infant, and Child Health (MICH)

Workgroup Coordinator: Nicole F. Dowling and Holly Shulman (Centers for Disease Control and Prevention) and Reem M. Ghandour (Health Resources and Services Administration)

Office of Disease Prevention and Health Promotion

Liaison: Theresa Devine

National Center for Health Statistics Analyst: Elizabeth Jackson

Contributors: Danielle Barradas, Sheree Boulet, Jian Chen, Ruowei Li, Erica Reott, Kelly Scanlon (Centers for Disease Control and Prevention) and Jessica Minnaert (Health Resources and Services Administration)

Medical Product Safety (MPS)

Workgroup Coordinators: Mary Ghods and Francis Kalush (Food and Drug Administration)

Office of Disease Prevention and Health Promotion Liaison: Clydette Powell

National Center for Health Statistics Analyst: LaJearna Hawkins

Contributors: Dan Budnitz and Andrew Geller (Centers for Disease Control and Prevention); Iris Valentin-Bon (Food and Drug Administration); and Holly Hedegaard (National Center for Health Statistics)

Mental Health and Mental Disorders (MHMD)

Workgroup Coordinators: Amy B. Goldstein (National Institute of Mental Health) and Sean Lynch (Substance Abuse and Mental Health Services Administration)

Office of Disease Prevention and Health Promotion Liaison: Yen Lin

National Center for Health Statistics Analyst: Robin Pendley

Contributors: Bruce Jonas (formerly of National Center for Health Statistics) and Rob Lyerla and Neil Russell (Substance Abuse and Mental Health Services Administration)

Nutrition and Weight Status (NWS)

Workgroup Coordinators: Deborah Galuska (Centers for Disease Control and Prevention); WenYen Juan and Mark Kantor (Food and Drug Administration); and Christopher Lynch (National Institutes of Health)

Office of Disease Prevention and Health Promotion Liaison: Holly McPeak

National Center for Health Statistics Analyst: Kimberly Hurvitz

Contributors: Zugu Mei (Centers for Disease Control and Prevention); Nancy Crane (formerly of Food and

Drug Administration); Rachel Ballard, Paul Coates, Abby Ershow, Mary Evans, Rachel Fisher, Sheila Fleischhacker, Robert Kuczumski, Kathryn McMurry, Holly Nicastro, Daniel Raiten, Karen Regan, Aynur Unalp-Arida, and Jennifer Villani (National Institutes of Health); Van Hubbard (formerly of National Institutes of Health); Alisha Coleman-Jensen and Joseph Goldman (U.S. Department of Agriculture); and Mark Nord (formerly of U.S. Department of Agriculture)

Occupational Safety and Health (OSH)

Workgroup Coordinators: Elizabeth Hofer and Lore Jackson Lee (Centers for Disease Control and Prevention)

Office of Disease Prevention and Health Promotion

Liaison: Ellis Davis

National Center for Health Statistics Analyst:

Jeffrey Pearcy

Contributors: Walter Alarcon, Don Beezhold, Jim Grosch, John Meyers, William Murphy, Patricia Schleiff, and Marie Sweeney (Centers for Disease Control and Prevention)

Older Adults (OA)

Workgroup Coordinators: Jane Tilly (Administration for Community Living); Lisa C. McGuire (Centers for Disease Control and Prevention); and Marie A. Bernard (National Institutes of Health)

Office of Disease Prevention and Health Promotion

Liaison: Yen Lin

National Center for Health Statistics Analyst:

Robin Pendley

Contributors: Casey Dicocco, Stephanie Whittier Eliason, and Cynthia LaCounte (Administration for Community Living); William Spector (Agency for Healthcare Research and Quality); Joan Weiss (Health Resources and Services Administration); Bruce Finke (Indian Health Service); Bruce Jonas (formerly of National Center for Health Statistics); Toccara Chamberlain and Melinda Kelley (National Institutes of Health); Syreeta Evans, Cheryl Thompson, and Mary Worstell (Office of the Assistant Secretary for Health); and Helen Lamont (Office of the Assistant Secretary for Program Evaluation)

Oral Health (OH)

Workgroup Coordinators: Gina Thornton-Evans (Centers for Disease Control and Prevention); Renee Joskow (Health Resources and Services Administration); Carol Bassim (Indian Health Service); and Timothy J. Iafolla (National Institutes of Health)

Office of Disease Prevention and Health Promotion

Liaison: Emmeline Ochiai

National Center for Health Statistics Analyst:

Elizabeth Jackson

Contributors: Liang Wei (Centers for Disease Control and Prevention); Angela S. Girgenti (Health and Human Services); and Chien-Hsun Li (Northrop Grumman Corporation)

Physical Activity (PA)

Workgroup Coordinators: Susan Carlson, Janet Fulton, and Kathleen Watson (Centers for Disease Control and Prevention); and Lauren Darensbourg (President's Council on Fitness, Sports & Nutrition)

Office of Disease Prevention and Health Promotion

Liaison: Katrina Piercy

National Center for Health Statistics Analyst:

Asel Ryskulova

Contributors: Arthur Wendel (Agency for Toxic Substances and Disease Registry); Dianna Carroll, Shannon Michael, and Charlotte Schoenborn (Centers for Disease Control and Prevention); Adella Santos (Department of Transportation); Alberta Becenti (Indian Health Services); and Rachel Ballard and Richard Troiano (National Institutes of Health)

Preparedness (PREP)

Workgroup Coordinators: Brenda Silverman (Centers for Disease Control and Prevention) and Cheryl Levine (Office of the Assistant Secretary for Preparedness and Response)

Office of Disease Prevention and Health Promotion

Liaison: Yen Lin

National Center for Health Statistics Analyst:

LaJeana Hawkins

Contributor: Mili Patel (Office of the Assistant Secretary for Preparedness and Response)

Public Health Infrastructure (PHI)

Workgroup Coordinators: Liza Corso (Centers for Disease Control and Prevention) and Emily DeCoster (Health Resources and Services Administration)

Office of Disease Prevention and Health Promotion

Liaison: Yen Lin

National Center for Health Statistics Analyst:

Sirin Yaemsiri

Contributors: Roxanne Fulcher and Jolanta Juszkiwicz (American Association of Community Colleges); Tina Su (Association of Public Health Laboratories); Kyle Bogaert and Rivka Liss-Levinson (Association of State and Territorial Health Officials); Stan Lehman, Amy Loy MacKenzie, Renee Ned, Melody Parker, and John Ridderhoff (Centers for Disease Control and Prevention); Rebecca Lampkins (Council of State and Territorial Epidemiologists); Carolyn J. Leep, Nathalie Robin, and Jan Wilhoit (National Association of County and City Health Officials); Kate Brett, Robert Francis, Joyce Martin, Michelle Osterman, Jeffrey Percy, and Robin Pendley (National Center for Health Statistics); Jessica Tytel (Office of the Assistant Secretary for Health); Amy Nevel (Office of the Assistant Secretary for Planning and Evaluation); Kaye Bender and Jessica Kronstadt (Public Health Accreditation Board); Kathleen Amos and Ron Bialek (Public Health Foundation); and Burt Wilcke (University of Vermont)

Respiratory Diseases (RD)

Workgroup Coordinators: Hatice S. Zahran (Centers for Disease Control and Prevention) and Peter J. Gergen, Bill Jirles, and Joylene John-Sowah (National Institutes of Health)

Office of Disease Prevention and Health Promotion Liaison (former): Juliet Pena

National Center for Health Statistics Analyst: Kimberly Hurvitz

Contributors: Rebekah Buckley, Claire C. Caruso, Michael King, Zanie Leroy, David Weissman, Ainsley Weston, and Anne Wheaton (Centers for Disease Control and Prevention); Jeanne E. Moorman (formerly of Centers for Disease Control and Prevention); Alison Freeman and Tracey Mitchell (Environmental Protection Agency); Lara Akinbami, Debra J. Brody, Charles Dillon, and Ryne Paulose (National Center for Health Statistics); Sheila Newton, Antonello Punturieri, Daniel Rotrosen, Rachael Tracy, and Jennifer Villani (National Institutes of Health); and Barbara Disckind and Mildred Hunter (Office of the Assistant Secretary for Health)

Sexually Transmitted Diseases (STD)

Workgroup Coordinators: Lori Elmore and Jennifer Ludovic (Centers for Disease Control and Prevention)

Office of Disease Prevention and Health Promotion Liaison: Tiffani Kigenyi

National Center for Health Statistics Analyst: Leda Gurley

Contributors: Jim Braxton, Sarah Kidd, Rodney Presley, Elizabeth Torrone, and Hillard Weinstock (Centers for Disease Control and Prevention)

Sleep Health (SH)

Workgroup Coordinators: Joylene John-Sowah and Michael Twery (National Institutes of Health)

Office of Disease Prevention and Health Promotion Liaison: Emmeline Ochiai

National Center for Health Statistics Analyst: Kimberly Hurvitz

Contributors: Janet Croft, Timothy McManus, David Wessman, and Anne Wheaton (Centers for Disease Control and Prevention); James Higgins and Tonja Lindsey (National Highway Traffic Safety Administration); Harold Gordon, Yejun He, Miroslaw Mackiewicz, Martha Matocha, Mary Ellen Michel, Lanay Mudd, Ann O'Mara, Karen Teff, Aleksandra Vicentic, Jennifer Villani, and Deborah Young-Hyman (National Institutes of Health); Mary Beth Bigley (Office of the Surgeon General); and Robert W. Greene (Veterans Health Administration)
