If you are unable to attend in person there will be conference lines available on the day of the meeting. Individuals **do not** need to register on-line for the meeting if planning to dial-in.

NOTICE: Because of increased security requirements, (CMS) has instituted stringent procedures for entrance into the building by non-government employees. Persons without a government I.D. will need to show an official form of picture I.D. (such as a drivers license), and sign-in at the security desk upon entering the building.

Those who wish to attend the March 17-18, 2020 ICD-10 C&M meeting in the CMS auditorium must register by March 6, 2020, to be included on the meeting visitor list. This visitor list will be maintained at the front desk of the CMS building and used by the guards to admit visitors to the meeting. Those who attended previous Coordination and Maintenance meetings will no longer be automatically added to the visitor list. You must request inclusion of your name prior to each meeting you attend.

Information on registering online to attend the meeting can be found at:
