

CDC Dialysis End of Year Recap 2024

Letty Lamping, MPH

Vannessa Cox, MBA, CSM

December 18, 2024

Agenda Overview

This presentation outlines key metrics from the PAC Annual Training for dialysis, ticket resolutions, followed by changes and new initiatives for 2025. It concludes with an open Q&A session.

2024 Metrics

- **Attendance for the PAC Annual Training (Dialysis Only)**
 - Live views 3,313
 - Pre-recorded views 1,775
- **NHSN Resolved Tickets**
 - 370
- **Office Hours Attendees**
 - 776

What's New and Plans for 2025

- **Past Office Hours Sessions**
 - View presentation slides and recordings on the NHSN Training website (bottom right side panel)
 - <https://www.cdc.gov/nhsn/training/dialysis/index.html>
- **2025 Form Changes**
 - Dialysis Events
 - Monthly Reporting Plan
 - Outpatient Dialysis Center Practices Survey & Home Dialysis Center Practices Survey

Monthly Reporting Plan

- Addition of **Check ONLY if facility is closed for the entire month** for clarity as to when to check the Not Participating in NHSN box.

*Facility ID: _____ *Month/Year: _____ / _____

Not Participating in NHSN this Month **(Check ONLY if facility is closed for the entire month)**

Outpatient Dialysis Center Practices Survey & Home Dialysis Center Practices Survey

- Both surveys underwent minimal changes.
- Primarily the changes were to wording for clarity.
- The home survey was reorganized so it mimics the outpatient dialysis survey in organization.
- Surveys will be in the application in mid-January and available for completion following the first week of February.

Open Q&A
