FIREFIGHTER
REGISTRY
for Cancer**
Understanding &
Reducing Cancer

STAND TOGETHER

**Join the
National Firefighter
Registry (NFR)
for Cancer**

**A new effort to understand
and reduce cancer**

**JOIN AT
NFR.CDC.GOV**

**NATIONAL
FIREFIGHTER
REGISTRY**
for Cancer
Understanding &
Reducing Cancer

**The more firefighters
that join the NFR, the
more questions we
can answer about
firefighting and cancer.**

All firefighters can join – paid or volunteer, active or retired, with or without cancer.

By joining the NFR, you can:

- ✓ Help protect your brothers and sisters in the fire service from developing cancer
- ✓ Help lessen the impact of cancer on firefighters' families and friends
- ✓ Pave the way for new health and safety measures to keep the next generation of firefighters safe
- ✓ Improve understanding of cancer risk among minority, female, and volunteer firefighters, as well as groups like wildland firefighters
