Occupational Safety and Health

Effective Immediately: Voluntary Rescission of one ivWatch, LLC Approval

The National Institute for Occupational Safety and Health (NIOSH) has honored a request by **ivWatch, LLC** to **rescind one approval**.

As of June 12, 2025, **any respirator marked with a NIOSH approval label and approval number listed in the table below is no longer NIOSH approved**. The NIOSH [Certified Equipment List](#) no longer includes these approval numbers:

Approval Number	Product Line or Model
TC-84A-9379	BLX-9501, Surgical N95 Filtering Facepiece Respirator

Due to the voluntary rescission of these NIOSH approvals, **respirators bearing these NIOSH approval numbers may no longer be used, manufactured, assembled, sold, or distributed**.

Please reach out to ivWatch, LLC. The [Certified Equipment List](#) can be used to locate other NIOSH Approved® respirators.

NIOSH Approved® is a certification mark of the U.S. Department of Health and Human Services (HHS) registered in the United States and several international jurisdictions
