

ABRWH
Work Group on TBD 6000/6001

December 16, 2009
9:30 a.m. EST
Cincinnati Airport Marriott

AGENDA

Note: One hour lunch break at approximately 12:00 noon.
Adjourn by 5:00 p.m.

1. Call to order and roll call (Paul Ziemer and Ted Katz)
2. Introductory remarks and review of the agenda (Paul Ziemer)
3. Update on TBD 6000 Findings Matrix and status of each issue.
 - a. NIOSH White Paper on Issue 1 (new)
 - i. Initial SC&A response
 - ii. Concerns raised by Appendix BB (GSI) petitioner McKeel
 - b. Mark Griffon response to previous NIOSH White Paper (on use of Adley report) and SC&A Review of October 13, 2009 on Issue 5
 - c. Status of Issue 6 (Transfer to Procedures Review Subcommittee)
4. Appendix BB (General Steel Industries) Issues Matrix
 - a. Issue 1
 - i. Clarify outcome of NIOSH comparison of FB results with models. Also, there may be additional FB results as per recent petitioner communication.
 - ii. Discuss anticipated changes (if any) of recent source term information from petitioner.
 - b. Issue 2
 - i. Is there a final response from DOL on the issue of the start date for the covered period?
 - c. Issues 3-11
 - i. As for issue 1, the results of the FBs and the models need to be clarified for all of these findings. This includes potential changes in source terms.
 - d. Issue 12

- i. This item appears to be the same as Issue 6 of the TBD-6000 Issues Matrix which has been transferred to the Procedures Review Subcommittee.
 - e. Follow-up on new information provided by petitioner
 - f. Preliminary report of interview of a site expert by Paul Ziemer
- 5. GSI SEC Petition Evaluation Report and SC&A Review Matrix (Note: Refer to October 12, 2009 PA cleared version of Issue Resolution Matrix. All 10 Issues include a NIOSH response and an SC&A reply.)
 - a. Review SC&A replies and determine if any further NIOSH response is to be provided for any Issues
 - b. Consider related petitioner issues and concerns
 - c. Identify path forward or action for each item
- 6. Initial review of Bliss & Laughlin Steel SEC Petition ER
 - a. Determine if SC&A review needed clarify SEC issues
- 7. Initial TBD-6001 Review and Appendix C (Electro-Metallurgical Corp.) Petition
 - a. Status of SC&A review and path forward
- 8. Adjourn
