Dear Mr. Evaskovich:

Thank you for your letter of February 1, 2010, to the Advisory Board on Radiation and Worker Health (the Board) regarding Special Exposure Cohort (SEC) Petition 109 for Los Alamos Laboratory Support Services Workers.

In response to your letter as well as the petition's request that the Board meet in or near Los Alamos when we deliberate on this SEC petition, the Board has decided to hold our November 16 to 18, 2010, meeting in the Los Alamos, NM.

We look forward to seeing you and others concerned about this issue at the November, 2010 meeting. Thank you for your continued interest in the Energy Employees Occupational Illness Compensation Program Act (EEOICPA) and the activities of this Board.

Sincerely,

[Signature on file]
