Dear Ms. Leiton:

On behalf of the Secretary of the Department of Health and Human Services (HHS), and as required by 42 C.F.R. § 83.17(c), I am notifying you of the final effect of the HHS decision to designate a class of employees at the Standard Oil Development Company, Linden, New Jersey, as an addition to the Special Exposure Cohort (SEC) under the Energy Employees Occupational Illness Compensation Program Act of 2000. On June 18, 2009, as provided for under 42 U.S.C. § 7384q(b), the Secretary of HHS designated the following class of employees as an addition to the SEC:

*All AWE employees of the Standard Oil Development Company in Linden, New Jersey, during the period from August 13, 1942 through December 31, 1945, while working for a number of work days aggregating at least 250 work days, either solely under this employment or in combination with work days within the parameters established for one or more other classes of employees in the SEC.*

This designation became effective July 18, 2009, as provided for under 42 U.S.C. § 7384l(14)(C). Hence, beginning July 18, 2009, members of this class of employees, defined as reported in this notice, became members of the SEC.
