

Rx Awareness Video Transcript

Candidate: Tamera

Length: 30 seconds

On-screen text: Prescription opioids can be addictive and dangerous.

Tamera: Nothing mattered more than getting my fix. I was on the verge of being homeless. My house was being foreclosed on. It took everything that I had. Knowing that I did this to myself, that it could have been prevented, makes it worse.

Audio description: Tamera looks at herself in the mirror.

Tamera: It just takes one.

On-screen text: It only takes a little to lose a lot. [CDC.gov/RxAwareness](https://www.cdc.gov/RxAwareness)
