

# Overall Enrollment: Responder and Survivor

**Note:** The Program started on July 1, 2011, and at that time, 56,202 Responders were “grandfathered” from previous Federal activities. On September 29, 2011, 4,766 Survivors were likewise “grandfathered”. The chart above depicts enrollment from the beginning of the Program, starting with “grandfathered” members and the cumulative addition of new members each quarter. The date labels correspond to the end of the quarter (i.e., December 2016 represents cumulative members through December 31, 2016).

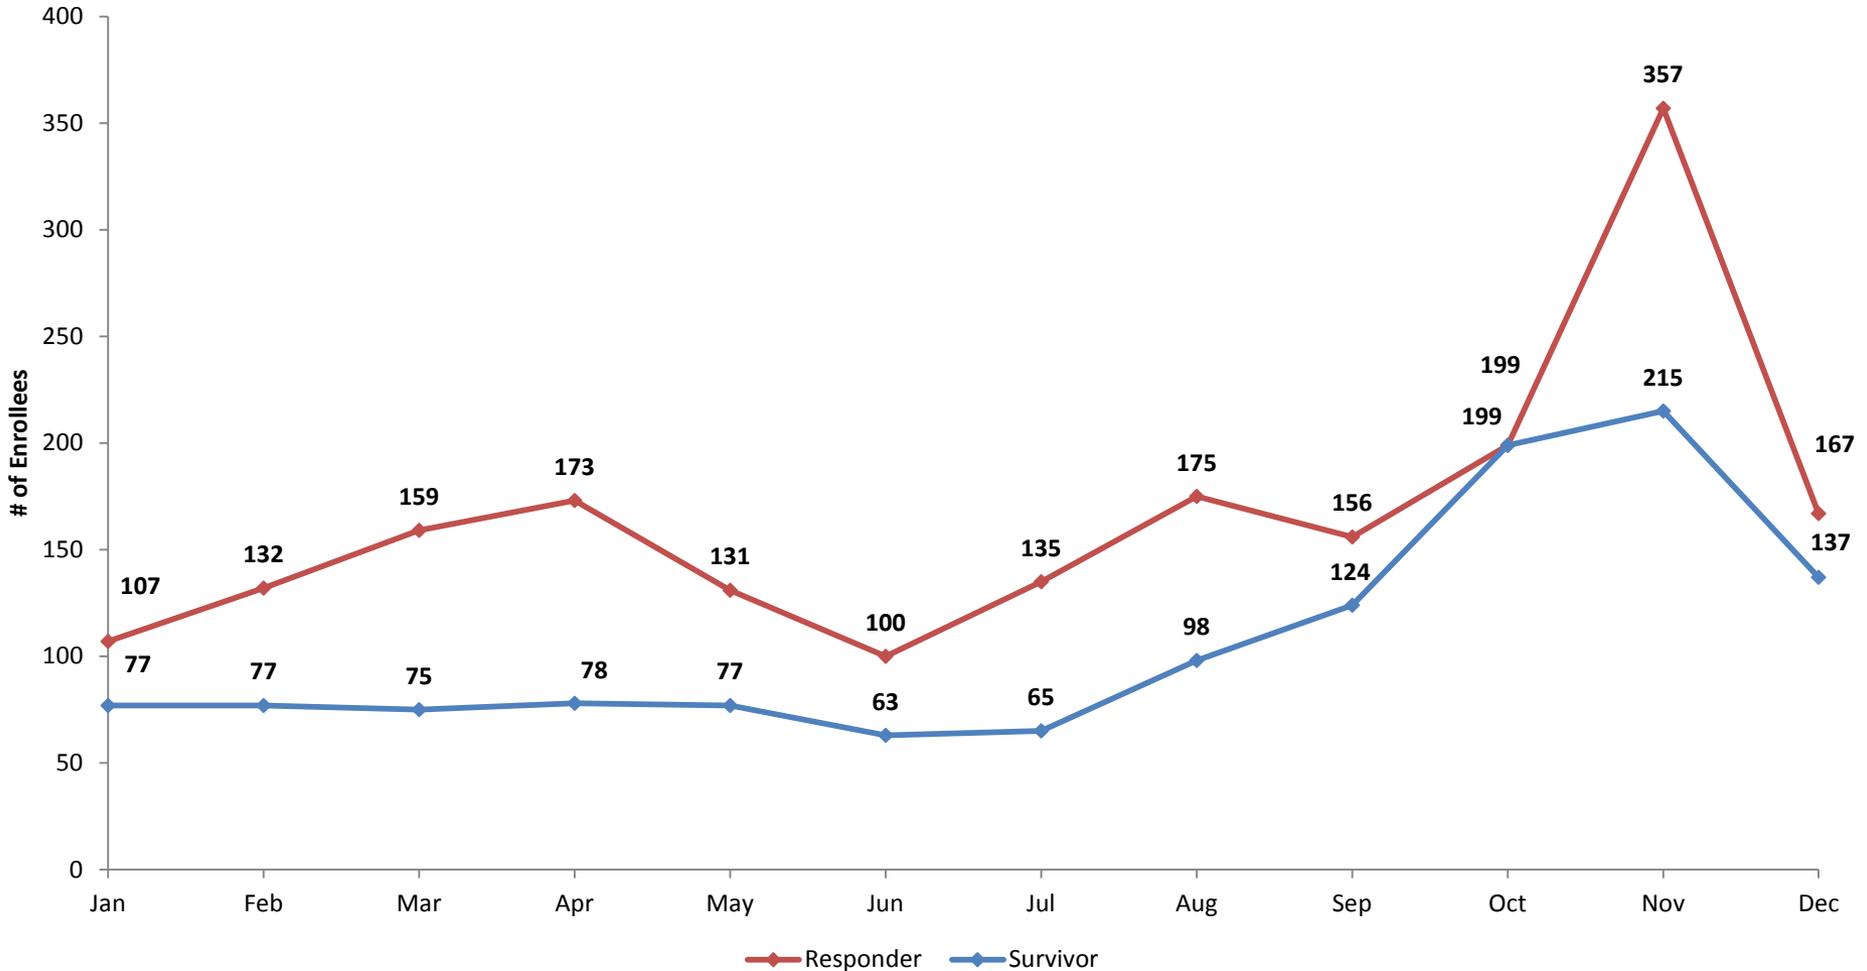

Data current as of December 31, 2016. For online access, visit [www.cdc.gov/wtc/ataglance.html](http://www.cdc.gov/wtc/ataglance.html)

# New Enrollees\* Past 24 Months

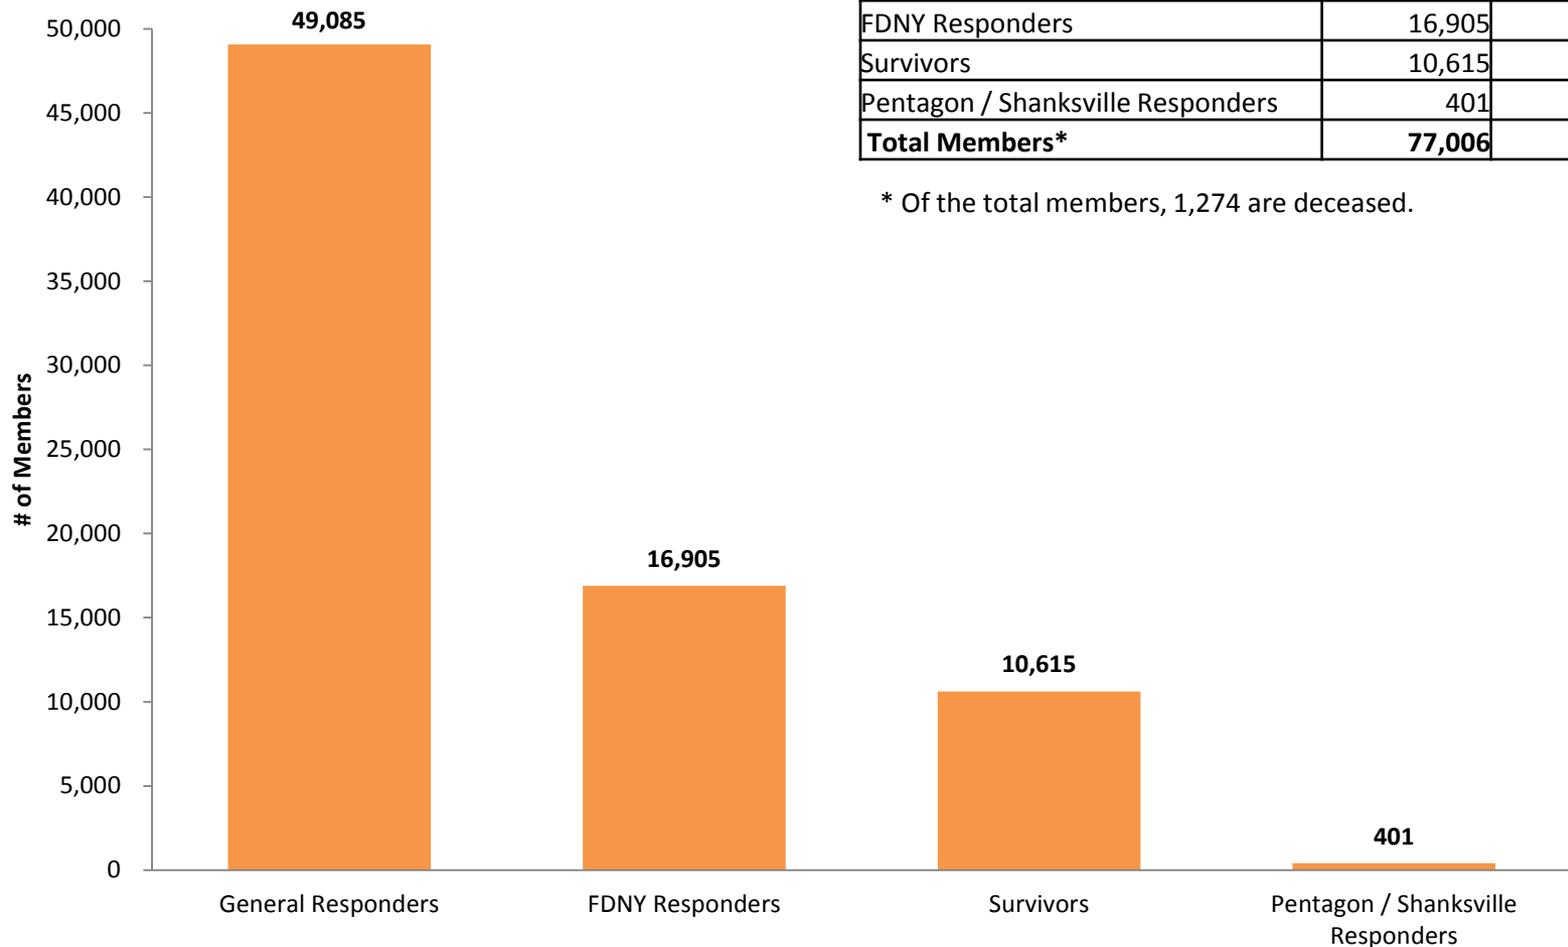

\* Monthly totals include responders and survivors.

# New Enrollees Responders and Survivors Past 12 Months

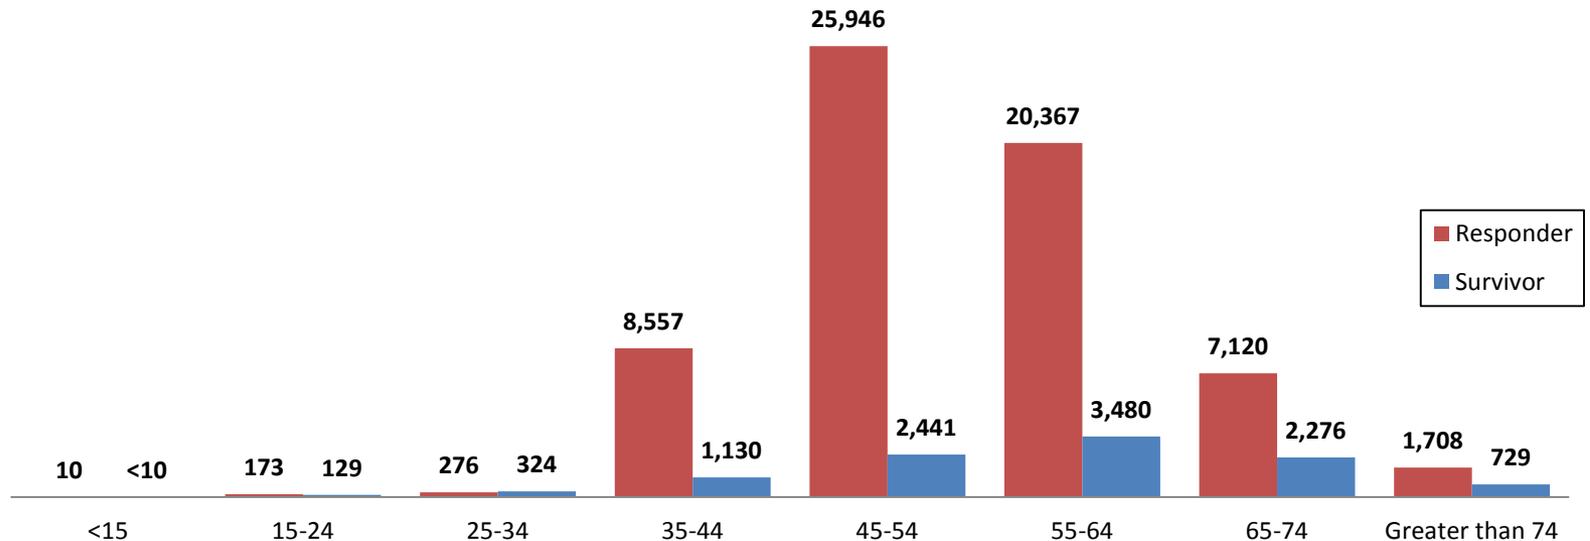

# WTC Health Program Enrollment by Member Type
