

World Trade Center Health Program Program at a Glance

As of September 30th, 2023

Below you will find general program information related to members enrolled and members certified for treatment of health conditions in the WTC Health Program.

Overall Enrollment: Responders and Survivors*

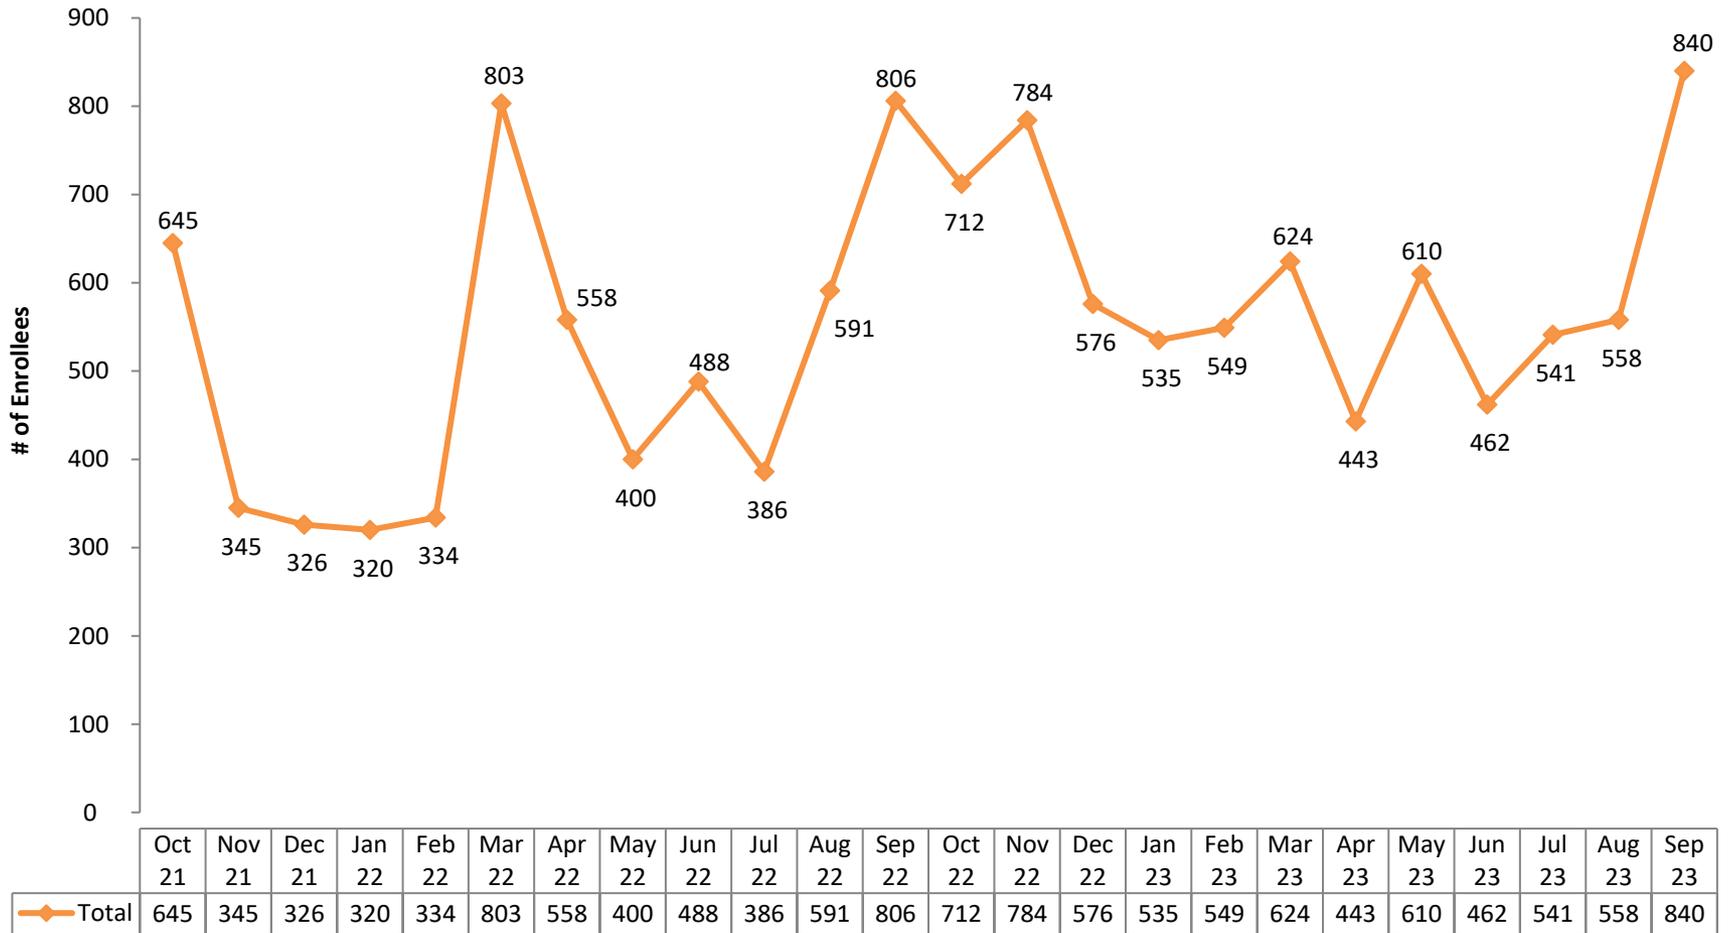

Note: The Program started on July 1, 2011, and at that time, 56,106 Responders were “grandfathered” from previous Federal activities. On September 29, 2011, 4,720 Survivors were likewise “grandfathered”. The chart above depicts enrollment from the beginning of the Program, starting with “grandfathered” members and the cumulative addition of new members each quarter. The date labels correspond to the end of the quarter (i.e., September 2018 represents cumulative members through September 30th, 2018).

The Deceased Members table includes all causes of death, not just deaths from WTC-related conditions
